NATIONAL DEMOCRATIC TICKET!

FOR PRESIDENT.

HON. HORATIO SEYMOUR,
OF NEW YORK.

FOR VICE PRESIDENT.

GEN. FRANK P. BLAIR,
OF MISSOURI.

ELECTORAL TICKET.

FOR THE STATE AT LARGE.

HON. JAMES W. OSBORNE, OF MECKLENBURG.
JOSEPH J. DAVIS, OF FRANKLIN.

DISTRICTS.

1st—THOMAS J. JARVIS, OF TYRRELL.
2nd—JNO. HUGHES, OF CRAVEN.
3rd—.....
4th—.....
5th—M. S. ROBINS OF RANDOLPH.
6th—W. M. ROBBINS, OF ROWAN.
7th—L. M. McAFEE, OF CLEAVELAND.

Resolved, That we approve of the platform of principles adopted by the National Democratic Convention. It falters in no double sense—its language is explicit and its meaning clear—the issues presented to the country are plainly and unmistakably defined, and, with a free and fair election, we confidently believe they will be endorsed by a large majority of the people—and with that endorsement must come such a change in the administration of the National Government as will restore the Constitution and give peace, harmony and prosperity to the country, and especially to the down-trodden States of the South.

Resolved, That it is our earnest desire and intention to bring about these wholesome and necessary changes by the peaceful means of the ballot-box—and all efforts to produce a contrary belief, coming from what quarter they may, are but the tricks of interested partizans of a desperate political faction, bent upon perpetuating its power by any means and at all hazards. They are attempting to alarm the people of this State by the false cry of revolution and war, threatening them at the same time with military force; while, in other States of the South they have not hesitated to take from the people the election of electors of President and Vice President, and to confer it upon Legislatures, the members of which were elected under military rule without freedom of choice and with no regard to the question of the Presidency, in order to secure the electoral votes of such States for the Radical candidates, in disregard and defiance of the just rights of the people of such states, and of the whole country.

Resolved, That it is our frank purpose now, and has been since the close of our late civil war, to accept and abide by, in good faith and without disturbance, the legitimate fruits and consequences of that war; to yield to the Government of the United States a cheerful submission and allegiance, and to perform all the obligations of good citizens to their rightful Government. And we do proclaim that, in asking recognition on terms of equality in that grand copartnership of States which constitutes our Federal Union, we do so with no hostile intent; on the contrary, we wish to share its benefits and its duties; to rebuild our waste places under the protection of its flag; to re-establish the old era of good feeling in our common country; to thwart the designs of disaffected men everywhere, who seek to perpetuate discord and division; and to participate in the blessings, as well as the burdens, of the government.—*Resolutions adopted by the State Democratic Convention of North Carolina, Aug. 14, 1868.*

BROWNLOW-HOLDEN'S STATE MILITIA.

We understand that five Justices of the Peace in the counties of Rowan, New Hanover and Rockingham have requested Holden to organize the "Detailed Militia" in those counties, and that he has determined to comply with the request. We understand that the best legal authority in the State pronounces the law, under which the "Detailed Militia" is organized, *unconstitutional*. B. F. Moore, Esq., has shown conclusively, that it is so, in his letter to Col. Sinclair. His letter was based upon the proposed "Police Force Bill," but the principles laid down are equally applicable to this bill.

Have the *citizens* of New Hanover, Rowan and Rockingham, who have to pay the expense, been consulted in this matter?—Have they estimated the costs, to say nothing of the danger, of such a proceeding. The official exhibits of the National Treasury show that the expenditures of the War Department are costing the government a sum equal to $2000 per year for *each soldier* in the service. The rank and file, the men who do the work, it is true, get very little of it themselves, but it is paid out by the government, nevertheless. We believe there is mischief and blood in this scheme. It is perfectly plain that no such expensive force should be called out, unless it is called for by the citizens of the County, generally.—We hope, therefore, the voters of those Counties will not fail to let "the Governor" know their wishes, and, if not heeded, that they will speak out at the ballot box against this infamous Radical *war* scheme. We again call the attention of the President and Secretary of War to this Executive usurpation and defiance of the Act of Congress.

REMEMBER that the present National debt is upwards of two THOUSAND SIX HUNDRED millions, and that the Radicals have increased it, *in time of Peace*, over *one hundred and fifty millions*, since the close of the War. The part which North Carolina has to pay will be upwards of SEVENTY MILLIONS. And this for the Freedman's Bureau, for bayonets, and for the stealings of corrupt Radical office-holders and government Radical swindlers!

REMEMBER, colored men, that the Radicals of Georgia, after promising you political equality for your votes, deliberately framed a Constitution which excludes men of your race from holding office, that a Radical Congress accepted the Constitution, and that Radical voters expelled twenty-five of your number.

EXECUTIVE USURPATION.

We understand that a man from Halifax county, named John Everett, one of Holden's Justices of the Peace, has been in this city, within a few days, representing that he has been assailed, mistreated, and shot at "seventeen times," by "Ku Klux" or others opposed to him politically. We are told that he exhibits holes in his hat and clothes, says they were made by bullets and declares that he killed one of his assailants. He called upon the "Governor" for protection, &c.

Now, no one will deny that, *if* this man has been badly treated, he has a right to the protection of the law. If he has been unjustly assailed, the law is open to him, and his persecutors, if there be any, ought to be punished. We have conversed with several gentlemen, however, who know Everett, and who are acquainted with the neighborhood of Gaston, where he says these things occurred. We have conversed with one gentleman, who has been in that vicinity, and who has talked with the people there, since these occurrences are alleged by Everett to have taken place, and he states that no one there had *even* heard of them, and that no one believes a word of the story. John Everett is represented to us as a very bad man,—some say one of the worst men in the State,—one who will not be believed, where he is known. "Gov." Holden must know his character. He is the man who committed the atrocious act of attempting to kill Holden's *old friend*, Mr. Patrick McGowan, some years ago. It is believed, that Everett would not hesitate to shoot at his own hat and clothes to get up a sensation. The Radicals are spoiling for a sensation. They are ready to manufacture one out of the merest trifle, or out of the whole cloth.

Here is a plain case: A man alleges that he is set upon, noosed, shot at and mistreated by a band of ruffians, or Ku Klux, or somebody else. What is his remedy?—Why, all he has to do, is to go before a Magistrate, in the County where the alleged offence occurred, or, if the Magistrates are incompetent to do business, as is the case in Halifax, before a Judge of the Superior Court, and make oath that certain *known* or *suspected* parties have been guilty of the crime charged, and the Justice of the Peace or Judge at once issues a writ, to be executed upon the parties, ordering their arrest, and that they shall be brought before him, or some other Magistrate or Judge, that the case may be investigated. The law knows *no other remedy*, and this is remedy enough for any honest man.

But how does Holden act in the premises? Judge Watts is holding his Court in Franklin county. Jurors, witnesses and lawyers are assembled, and busily engaged in the trial of important cases. Suddenly, Judge Watts adjourns his Court, on Wednesday morning, until the following Monday, and jurors, witnesses and lawyers are told to go home and appear at that time, subjecting them to great expense and trouble—no matter how great the sacrifice,—because, as the Judge says, he is ordered or requested, by the "Governor," to go down to Halifax, in company with the "Attorney General," Coleman, to investigate the "cock and bull" story of this man Everett, whose tale the respectable people of the section, where it is said to have occurred, have not heard of, nor do they believe.—Judge Watts, upon the affidavit of Everett, could have issued his writ ordering the arrest of all parties concerned, and their appearance before him, at a given time, for investigation, without *adjourning his Court*, in the midst of important business.

Did "Gov." Holden *order* him to do this thing? What authority had he for so doing? Where is the law for it? Can Judge Watts justify himself, in obeying any such order? The like has never been known before in this State. The Judiciary we regard as a coordinate branch of the State government, whose powers and duties are prescribed by law. So it is with the Executive. But there is no law which empowers the Governor to order a Judge to hold a Court of Investigation at any time, much less to order him to adjourn a Court for that purpose. Is this another of the Attorney General's blunders? The "Governor" would do well to consult Attorneys who know the law.

The whole affair is regarded as a political manœuvre, to get up a sensation to affect the election. We beg that our friends in Halifax will *investigate* this investigating Court of "Judge" Watts. Let the truth and the whole truth be known and established.

THE LEGISLATIVE ADDRESS—WORK OF ITS FRUITS.

We learn, from the Wilmington *Star*, that a body of negroes banded themselves together, in Fayetteville, a few days since, with the avowed intention of assaulting and beating two colored delegates who had arrived there for the purpose of attending the Convention. They would not only have carried out their designs, but most probably have proceeded to severer measures, but for the timely interference of the citizens, who, determined to protect their colored friends in the exercise of their just rights, promptly placed them under the protection of a party of white persons. The Radical negroes were no doubt instigated and incited by some scoundrel carpet-baggers or scalawags, who, at the expense of personal injury to them, would manufacture capital for political purposes.

These miscreants seem determined to provoke strife and bloodshed. The ignorant and easily inflamed blacks are urged to burn and kill and convulse society, from a combined desire, on the part of their instigators, (who will take good care to try to get out of the way of harm, themselves,) to manufacture party capital and glut their malignant hatred of the true white men and women of the State. If their infamous schemes shall ever culminate,—which may God forefend!—we tell them that the cry will be, "*the inciters first!*"

KEEP IT BEFORE THE PEOPLE that the Radical organ in this City recommends the County Commissioners to *build negro villages* and to TAX THE LANDS of the people for the support of a lazy and thriftless population!

THE RADICAL ARGUMENT BOILED DOWN.

Our correspondent, "Roanoke," a day or two ago, put the Radical argument in a nutshell—boiled it down to its real substance, thus:

"The whole letter can be boiled down into one sentence: We must tolerate a set of rascals in power, who will bring on war, if we put honest men in their places. That is the simple proposition which Judge Pearson quits his retirement to inculcate on freemen. Judge Pearson does not support Grant and Colfax, of choice. On the contrary, he plainly intimates that honest men ought to give way and let villainy abound for a few years, and then things will take a turn, and "all will be well!" Did you *ever?*

The simple question, which scatters Judge Pearson's partisan effusion, is this: *Is Judge Pearson, and are the scallawags and carpet-baggers, whose cause he excuses, willing to let a majority of the American people rule?* I do not think they are. For he says, and they echo the cry, that *there will be a war, if a majority of the American people vote Seymour and Blair into office.* Pray who will begin this war? No one *can* begin it, but Judge Pearson's party."

The Radical party professes to estimate highly the voice of the people. Gen. Grant, their candidate, declares that he has no policy in opposition to the will of the people. If this be so, how can Radicals, with any face, pretend that the election of Seymour and Blair will bring war?

The friends of Seymour and Blair do not hesitate to declare, that if Grant and Colfax are fairly elected by the vote of the people of the United States, they will *submit*, without a murmur. They will abide by and defend the Constitution and all its requirements. They will obey the voice of the people, as the Constitution demands. *Will the Radicals do the same?*

The pretence that some of our timid, weak kneed men make, that they are afraid of Blair, because he is a war man, is so shallow, that even blind men must see it. Mr. Blair stands upon the Constitution and will abide the voice of the majority of the people. He nor the Democratic party make any threats, if Grant and Colfax are elected, about objecting or raising a clamor. If Seymour and Blair are elected, no Democrat proposes to do any thing to provoke a war. Far from it. They will simply demand that the voice of the majority of the people and of the Constitution shall be carried out. If war comes, when that is done, *whence will it come?* The Democrats threaten no war—they will provoke no war—they seek no war. WHERE IS IT TO COME FROM?

Why, the threat comes from the Radical party! The negroes, who are instructed by the Radicals, do not hesitate to say, that the *Radical party will make* WAR, if Seymour and Blair are elected. They, that is the worst of them, make bold to say, that they are ready for it,—nay, that they will *provoke* it. Poor, deluded creatures! They have been led and led by their Radical deceivers almost to the precipice. Will they heed their real friends and learn some sense? We hope it is not too late.

Why make war? *What for?* To keep in power men, who, to fill their own pockets, are stealing from the government and the State and the people? Are they determined to make war, if the people determine to put in *honest* men, according to the forms of the Constitution? Tush! The people will speak on the third of November, AND THEIR VOICES WILL AND SHALL BE OBEYED!

Resolved, That the members of this Club pledge themselves not to employ in the future any man, be he black or white, who shall be a member of any League or secret political society, or any of the so called militia companies now being formed throughout the county.

Resolved, That the President of this Club appoint a Committee whose duty it shall be to attend the registration of the voters of this precinct, in October next, and challenge all persons who may offer to register, who are not legally entitled so to do.

The foregoing excellent resolutions were adopted at a recent meeting of the Weldon Seymour and Blair Club. We commend them to universal adoption throughout the State. Let no man be given employment or patronage, of any kind, white or black, who is known to be a member of any League. The man who gives either is nursing a viper that will sting him before he is aware of it. Those who belong to these Leagues are *sworn* to do you harm, and it is the height of criminal folly to invite them to do so.

The other resolution cannot be too highly commended. It suggests an important duty, which must be attended to in every precinct in North Carolina, if we would have a fair election. The Radicals will employ every cheat and dishonesty, and they must be prevented. Attend to the registration!

THE RADICAL PARTY

IS THE SPOILS PARTY;
IS THE WAR PARTY;
IS THE ENEMY OF THE CONSTITUTION;
IS THE ENEMY OF THE GOVERNMENT.

Proof: Read the Radical platform at Chicago and Gen. Grant's and Mr. Colfax's letters of acceptance. There is not a word in either about the *Constitution*. It is the party that acts *outside* the Constitution—its acts are declared by Judge Pearson to be *extra-constitutional*,—therefore, it is the *usurping, unconstitutional, revolutionary, war party!*

TERRIBLY SCARED.—The Radical journals are evidently beginning to see the "handwriting on the wall." The Ohio *State Journal*, a violent Radical sheet, frantically exclaims:

"*For Heaven's sake, friends, work! Work from this day until election, or we are beaten in Ohio, in Indiana, in Pennsylvania, in New York, and in the whole country!*"

We have no doubt the Radicals *will* be terribly beaten, but we hope *our* friends will also work.

REMEMBER that no man in North Carolina can distill *one gallon* of brandy, from the fruits now rotting in his orchard, without paying a RADICAL TAX of FOUR HUNDRED DOLLARS!

SEYMOUR AND BLAIR!

The Fires of Patriotism Ablaze!!

NORTH CAROLINA MOVING!!!

"One Country" we will be once more,
No rights of States denied;
"One Flag," as 'twas in days of yore—
The Patriot's hope and pride.
Fling out the Banner, glittering bright,
And let it float in air,
And shout aloud, "Defend the Right!"
For "Seymour and for Blair!"

OVER THREE THOUSAND of the good and true Democrats and Conservatives of Craven and adjoining Counties, as we learn from the *Journal of Commerce*, were present in Newbern, on Tuesday, on occasion of the Flag Presentation.

The bone and sinew of the County and District were there, all fired with enthusiasm and inspired, with the hope and almost certainty of the triumphant election of our candidates.

The procession was formed in front of the Masonic Hall, at 4 o'clock, P. M., and between two and three thousand citizens were in it. The most noticeable feature was the truck of the Atlantic Fire Company, completely covered with the national colors, arranged in the most tasteful array. On it was erected a beautiful canopy and seats for thirty seven young ladies. These young ladies, among them the most lovely maidens of the city, were placed on the triumphal car by numbers of patriotic young men, vieing who should occupy the post of honor.

Following this magnificent pageant was the streamer, carried by about two hundred young Misses. The little ones entered into the spirit evinced by their more mature companions, and manifested their delight by hearty cheering, and other demonstrations.

Then came hundreds of the matrons and young ladies of the city, and after them the different Clubs with their banners and mottoes, making the longest and largest procession ever seen in Newbern. Flags were flying from the windows of the houses on the line of march, handkerchiefs waving, cheers upon cheer pealing forth, and the utmost delight evidenced.

On arriving at the Club House, the beautiful flag was presented by Miss Mary Guion, in a graceful and charming address, which was eloquently responded to by Mr. M. De W. Stevenson.

After the conclusion of Mr. Stevenson's remarks the flag was run up to the mast head amid the greatest excitement, enthusiasm and joy.

ON SATURDAY evening last, the fire companies of Fayetteville assembled for the purpose of hoisting a large and beautiful Seymour and Blair flag on a pole previously raised for the purpose. The banner was a handsome specimen, was neatly decorated and had inscribed upon it, in large letters, the names of the people's choice: Seymour and Blair. It had been made for the companies by the ladies of the town. The enthusiasm on the occasion surpassed anything ever witnessed in Fayetteville.

THE NEW HANOVER Delegation for the Cumberland Mass-Meeting left Wilmington on Monday afternoon. We learn, from the *Journal*, that the Steamer "Gov. Worth," which was chartered for the occasion, was gaily decked with Seymour and Blair flags and a large one floating from the pole over the pilot house. A fine band of music was in attendance, and patriotic airs were played to add to the enthusiasm, which was already very high. The delegates, visitors and the Howard Fire Company, which attended the Convention in a body by invitation, made in all about one hundred and fifty passengers. The little gun "Brick Pomeroy" took quite a prominent position in the bow of the boat, with Capt. McIlhenny in command. Mr. Blossom had furnished rockets from his Fire Works Manufactory, which were discharged as the Steamer got under way. Admiral Hunter of the Steamer Fairbanks honored the delegation with a salute from his port gun. Old New Hanover, as usual, was well represented, and will maintain the position she has so long held as one of the leading counties in the glorious cause which the Democracy of the State have espoused.

ENTHUSIASTIC MASS MEETING IN GRANVILLE.—The Seymour and Blair Mass Meeting in Oxford, on Tuesday last, was a grand affair. A tremendous crowd was in attendance and speeches were made, during the day and night, by Col. Jenkins, of Warren, Hon. Jo. Turner, of Orange, Capt. S. T. Williams and Hon. A. W. Venable. Attempts by the Radicals, who also had a meeting in town, to get off the colored men, who were eager to hear the Democratic speakers, failed most signally. A good number remained throughout and seemed greatly benefitted, and highly pleased with our orators.

It was a most enthusiastic meeting and had a splendid effect.

SEYMOUR AND BLAIR IN WAYNE.

WAYNE CO., (FORK DISTRICT)
September 8, 1868.

Messrs. Editors:—Having been informed that you would be pleased to receive intelligence from the different Seymour and Blair Conservative or Democratic Clubs, throughout the State, I venture to give you an insight to one formed in this District.

At the first meeting, the Club organized under the "name and style" of "The Fork District Democratic Club of Wayne County, N. C." For its Constitution and By-Laws it unanimously adopted those recommended by the *Sentinel* and other Democratic papers in the State, in the beginning of the campaign. The following gentlemen were, according to the Constitution, chosen as its officers, to wit: Colonel M. K. Crawford, President; Messrs. N. H. Gurley, Benjamin Rose and E. R. Cox, Vice Presidents; Dr. E. H. Hornady, Recording Secretary; M. D. Raiford, Corresponding Secretary; A. B. Sasser, Treasurer; and, for its Executive Board, the following, to wit: Dr. E. H. Goolet, Maj. B. F. Hooks, Col. J. T. Kennedy, Capt. A. L. Sasser, and Ichabod Pearson, Esq.

At this meeting the weather being unfavorable, not many of the citizens were present, and therefore only a few joined the Club, but at its second meeting, they turned out *en masse* to join the Club, and, also, they had heard that Messrs. W. G. Morrissey and William Robinson, of Goldsboro, had been invited and would favor them with addresses. Messrs. Morrissey and Robinson were present and entertained the meeting for three or four hours with spirited, able and eloquent speeches. They thoroughly explained the great issues at stake in the approaching Presidential election, and made many "happy hits" at "carpet-baggers," scallawags and *id genus omne*, who figure so hugely in the Radical party, which not unfrequently brought down the house.

I am sorry to say that only a few of the colored voters of this District have attended our Club meetings, though they have been solicited to do so, and, save one, Eric Bryan, (who voted the Conservative ticket last Spring and who came near being beaten to death by two of his race of the Radical party for having *spoken his sentiments*,) none have joined the Club; and it was thought till the past day or two, that they were "*joined to their idols*," the Union League and the Radical party, but it is not so; for some of them have "cussed and quit" them and say it they don't vote with us, they will not vote against us.

It may not be apropos, but it does me good, to add, that *this* District contains but a precious few *white black* men. It votes quite a hundred white polls—not more than half dozen of whom will be cast for the "scallawag" party this Fall. Of this half a dozen, three, (our County Trustee, our county Surveyor and one of our members of the House of Commons,) were fortunate enough to be among the *favored few* (?) who were elected by their party in April last,—and *one* of these will possibly "come over." He is a good man, but "*darn the company he keeps.*" I hear he says his "party makes bad laws," and, being a *distillist*, he thinks the *brandy tax* "a mess," and I tell you, Messrs. Editors, *it sticks him to the* (COON) *core*.

If every District in the good old North State will but acquit itself as well as this one in the coming election, she will send up an overwhelming majority for Seymour and Blair! Have we any cause to doubt the issue, if we will only do our duties and meet it with brave hearts and without fear? With Seymour and Blair bearing our country's banner and the "Constitution and the Union" for our motto, we can see indications of the speedy dissipation of the clouds of revolution, which threaten our common country, and, in their stead, the blessed beams of National joy, peace and prosperity!!

A DEMOCRAT.

For the Sentinel.

SEYMOUR AND BLAIR IN FRANKLIN.

Pursuant to previous notice, the Conservatives of Foster's District, Franklin Co., met at Haywood's Church, on Thursday, the 3rd. inst., for the purpose of organizing a Seymour and Blair Club.

On motion, Maj. D. S. Hill was appointed Chairman, and Augustus Connell Secretary.

The Chairman, in a very forcible manner, with well timed remarks, explained the object of the meeting.

On motion, the Chairman appointed a Committee of five to recommend permanent officers and a Constitution and by laws for the government of the Club, who, after a short consultation, recommended the following for permanent officers viz:

For President, Gen. J. B. Littlejohn; Vice Presidents, E. Green, E-q., Dr. P. S. Foster and G. W. Macon; Recording Secretary, E. S. Foster; Corresponding Secretary, Augustus Connell; Treasurer, Sebastian Macon; Directors, J. J. Hayes, Robt. Rodwell, Jas. J. Wilson, Henry Best and A. W. Wilson; who were unanimously elected by the Club.

The Committee reported a Constitution similar to that recommended by the *Sentinel*, and, through their Chairman, Gen. J. B. Littlejohn, the following resolutions, which were unanimously adopted:

Resolved, That we freely and heartily endorse the platform and principles adopted by the National Democratic Convention held in the city of New York, on the fourth of July last, and that we will zealously support Hon. Horatio Seymour and General Frank P. Blair, for the Presidency and Vice Presidency of the United States, at the ensuing election.

Resolved, As a protective and defensive measure—forced on us by the proscriptive policy of the Radical party—that we hereby pledge ourselves (as far as it lies within our power) to aid, encourage, employ and patronize members of our own house hold, Democrats and Conservatives, in preference to all others, and to protect and defend each other in the rightful exercise and enjoyment of all our constitutional and legal rights.

Resolved, That we highly approve of the action of the Democratic and Conservative Convention at their meeting in Raleigh, Aug. 13th, and we regard the great outpouring of the people on that occasion as an indication that our good old State is determined to hurl from power (obtained by military fraud and power) the present Radical, Carpet-bag, Scalawag Government.

Resolved, That we cordially invite every friend of his country, white or colored, in this District—irrespective of his past political status,—to unite with us in the formation of this Seymour and Blair Club, which is neither proscriptive, secret, or oath bound, but simply an association of the true and reliable men of this District, pledged to exert their influence in the coming canvass for the election of our noble champions, Seymour and Blair, and thereby restore our country to the proud position she once occupied.

D. S. HILL, Chairman.

MESSRS. EDITORS:—Your correspondent, who wrote of "the costly insurance" at the University, made no insinuation against Mr. Harris, who has charge of the buildings there. In spite of anything in these articles, he may be a very worthy man—"gentlemanly, quiet, unassuming, and attentive to business." Your correspondent has neither expressed nor felt a doubt of it. Nor did he make any charge against the "honesty" of the "citizens of Orange county," who serve there. There may be other reasons that might control a prudent man in selecting the guardians of his property. Only the folly of the agents of the Trustees, in putting so large a force there, was challenged, and legitimately challenged, and that even *Vindicator* will not find it easy to vindicate. With all his horror at the appearance of such things, he even can insinuate that the Conservative people of Chapel Hill are all dishonest. But his pen has been already so steeped in slanders of the innocent, that no one will care to contend with him, even in the defence of those whom he should have been the foremost to defend.

HON. HENRY STANBERY.—A correspondent writing from Ohio says: The Hon. Henry Stanbery, late Attorney-General of the United States, although in feeble health, has signified his intention of taking the stump for the candidates of the New York Convention. The State Central Committee have already announced him for an address at Lancaster, on Saturday, September 26th.—*Nat. Intel.*, 8th.

The latest Radical joke has been perpetrated by Horace Greeley, who has written of "Gen. Grant as a statesman." Not many months since the philosopher wrote of him, in earnest, as the "epauletted sphinx."

FOURTH DISTRICT—OUR NOMINEES.

We learn by telegram, received last night, that the District Convention, which met in Franklinton, on yesterday, nominated the Hon. SION H. ROGERS, of Wake, as the Democratic and Conservative candidate for Congress, and Col. WHARTON J. GREEN, of Waren, for Elector. We have only time to say, this morning, that these nominations are all that could be desired.

We learn that the Convention was large, harmonious and enthusiastic,—every County in the District having been fully represented.

OFF FOR FRANKLINTON.—Quite a large delegation of Democrats and Conservatives of the town and county left on yesterday to attend the District Convention at Franklinton. They were joined at the Depot by delegations from Johnston, Chatham and Orange. Vaughan's Drum Corps was along, discoursing stirring music.

COL. R. H. COWAN was to have addressed the people of Wentworth, Rockingham Co., on yesterday. Col. C. is doing gallant service in this campaign.

THANKS to T. B. Tyson, of Moore, for a Club of subscribers to the *Sentinel*. This is Mr. T's. second favor. On the last list are several colored subscribers.

MESSRS. TOLAR, Powers and Watkins were most enthusiastically received by the people of Fayetteville on their arrival home. A large crowd of citizens, including many ladies, were present to testify their appreciation of the sufferings of these victims of military tyranny.

WE WILL publish, to morrow, the review of Judge Pearson's letter, to which we alluded a few days since.

THE GOLDSBORO' *Rough Notes* gives further accounts of the outrage committed by the negro troops stationed in that place.—On Tuesday evening, a number of them, with pistols drawn and using the most abusive language towards citizens, dared a fight,—threatening that they would call out their companions and "line the town with blood." This is Radical reconstruction and Grant's idea of *Peace*.

ONE OF HOLDEN'S magistrates in Wilson does his duty. He will probably be removed, at once. The Bureau man in Wilson went to see the magistrate, who committed the negro President of the League, Grimes, under the charge of arson, (burning Mr. Z. no H. Greene's barn,) and insisted upon a re-hearing of the case. He was met with the proper reply that he had about as much to do with that court as did the Emperor of France, and he had better learn the difference between North Carolina reconstructed, and North Carolina under the domination of Freedman's Bureau men, and petty military officers!

DEMOREST'S MAGAZINE.—This Magazine well deserves its great and increasing patronage. It is such a work as a man need not be afraid of introducing into his house.—Though fashionable, it is not frivolous. On the contrary, it is full of sound sense, useful information, and vigorous, high-toned thought. There is more for the money than in any other two Magazines, and the quality is as good as the quantity is generous.—Suprise your wife, sister or daughter, with a year's subscription, as a Birth-day, Thanksgiving or Christmas gift. It will pay well for the investment. W. Jennings Demorest, 473 Broadway, N. Y. $3.00 per year.

THE YANKEE paper in this city virtually justifies, as we knew it would, the threat of the negro fiend, Pinchback, in the Louisiana Legislature, to lay *New Orleans in ashes*. It intimates that he is justifiable, because his old master, during the war, sold his "*beautiful* wife." Pinchback was only carrying out the "Retaliation" doctrines of the Raleigh *Standard* and the infamous and diabolical suggestions of the Radical *Leg*islative address, said to have been written by a high official in North Carolina. Verily, these men are but "treasuring up wrath against the day of wrath!"

EXTRA BILLY.—Another evidence of Smith's malignant partisan administration of the N. C. Railroad has just transpired.—We mentioned, on yesterday, the rumor that he was sprinkling his dead-head tickets with a lavish hand to white and black Radicals. We learn that the Rev. W. T. Walters, Agent of the Mission Board of the Baptist State Convention, recently applied to Smith for the usual free pass for those thus engaged, and was refused, *upon the ground that one of the Societies of Wake Forest College*, some months since, had erased Holden's name from their rolls!—Billy serves his master faithfully.

BROWNLOW FRIGHTENED.—That miscreant, Brownlow, who, after doing all that was possible to influence the two races against each other, has evidently become frightened in view of the determined purpose of the whites of Tennessee to wreak their vengeance on the Radical white inciters of strife, in the event of the employment against them of negro militia. He publishes in the Knoxville *Whig*, as "senior editor," some wholesome advice to colored men.

FETICHISM IN GOLDSBORO'.—We call attention to our correspondent's account of the disgraceful scenes in Goldsboro', at the Radical orgy on Tuesday. By the way, we notice, in the official proceedings of the meeting, that a speech was delivered by "*Judge* Olds." Is'nt this rather anticipating things? The bill creating a Criminal Court for Raleigh hasn't passed yet. The "milk in the cocoanut" hasn't yet been reached.

AMONG THE changes which have carried dismay into the Radical camp is that of Gen. W. P. Richardson, of Ohio, one of the bravest soldiers of the war, elected, by the Radical party, State Attorney General.—The General, in a recent speech, cuts loose from the sinking piratical craft. Ohio is safe for Seymour and Blair by a tremendous majority. Put that down.

THE NEW YORK *World* says that the "Raleigh *Standard* is so ignorant of New York city as to place the Third District of the State within its limits."

As the *World* suggests, the Yankee carpet-baggers, who control the *Tax* hammer, know even less of the confines of the Districts in North Carolina.

'CAUSE WHY!—The reason that the negroes were excluded from the Georgia Legislature is that twenty-four of them held twenty-four *paying positions*, which twenty-four carpet-baggers or scallawags wanted. Let the negroes of North Carolina beware! A similar trick will be played upon them by these fellows, in the fullness of time.

"HONORS ARE EASY."—The Yankee paper in this city announces a Radical meeting at Rolesville, which is to be addressed by "His Excellency" W. W. Holden, "General" Willie D. Jones, "Rev." S. N. Whitson, (Bro. Batt,) and "Honorable" J. H. Harris, (negro.) What a lovely social party! *Vive la compagnie.*

WIRZ was hanged for the crime of Grant. It has been conclusively demonstrated that Grant was responsible for all the horrors of Andersonville, by his persistent refusal to exchange prisoners.

ARMS.—A rumor was started some weeks ago that boxes had been sent to Wilmington for the use of Holden's militia. The Speaker of the House alluded to this matter recently, we understand, as a *fact*. We are incredulous, yet it would be well enough for our friends about Wilmington to ascertain the truth in the premises.—*Sentinel.*

The arms referred to were landed at *Newbern*, some weeks ago, and consisted of several boxes, marked "*Sharpe's Carbines.*"—*Wil. Star.*

We call upon our cotemporary, the Newbern *Journal of Commerce*, to investigate the facts stated by the *Star*, and give them to the public. Who ordered the "*Sharpe's Carbines?*" In whose possession are they? What are they for? How many are there? "*Let us have Peace.*"

BORDER AGRICULTURAL SOCIETY.—This Association, composed of planters residing in the Counties of Pittsylvania, Halifax and Henry, in Virginia, and Caswell, Rockingham and Person Counties in North Carolina, will hold their second Fair, in the town of Danville, Va., on the 20th, 21st, 22nd and 23rd of October. Its members are intelligent and energetic, and are doing much for the promotion of agriculture in that section. Their second Fair will be a great occasion. W. T. Sutherlin, Esq., of Danville, Va., is the President, and Messrs Wm. Long and E. Hunt, of Caswell, W. D. Bethel, of Rockingham, Col. J. W. Cunningham, of Person, and others, are Vice Presidents. Dr. T. P. Atkinson, of Danville, Va., is the Corresponding Secretary.

FROM A NORTHERN MAN.

Editors Sentinel:—I was pleased to see those soul stirring lines, entitled "For Seymour and for Blair," copied in your issue of to-day. These lines, composed by the President of a Seymour and Blair Club in my own native town, and read on the occasion of unfurling to the breeze "that dear old flag," speak the sentiments of seventy-five thousand true men in the old Bay State, not one of whom would accept a position in any State, unless tendered by an intelligent and discriminating constituency. They feel, with me, the reproach brought upon their section by the unworthy hirelings, many of whom left their country for their country's good, and now, by imposing upon the ignorance of this country, obtain positions of trust and emolument the wildest flights of their imagination never conceived of, where they are known and duly appreciated.

DISGRACEFUL SCENES IN GOLDSBORO.

GOLDSBORO', Sept. 9, 1868.

Messrs. Editors:—A grand negro pow-wow was held here yesterday, called by them a Republican Convention. An effort was made, by those in authority, to get up a great demonstration to create some enthusiasm in their ranks, and of all the disgraceful scenes that ever occurred in North Carolina, or anywhere else, it has never been surpassed.

The Atlantic Railroad was used for the purpose, and the negro settlement, called James City, near Newbern, was brought up *en masse*, free of charge, I understand, to give numbers for the occasion.

A procession was formed, containing, I suppose, eight hundred or a thousand negroes, which was paraded around our principal Streets, headed by the Barbadoes negro, O'Hara, on horseback, and, remarkable to say, not a single white in the procession! the few mean whites, who got the thing up, being ashamed to be seen in the procession, but hid themselves about the Hotels until they marched to the Town Hall, when they went up there to parcel out to themselves the nominations for office, which they were using the negroes to secure.

David Heaton, the tallow-faced Ohioan, secured the nomination for Congress, of course. The meeting then adjourned to the Court House Square, where a stand had been erected, and on it were seated about half a dozen sneak-looking whites, and a crowd of negroes, where speeches were made by Heaton, Brogden, *Olds*, of your place, and one or two others. The speeches were of the most inflammatory and incendiary character, and if they do not produce their legitimate fruit in bloodshed and plunder, it will be a wonder.

It was Tuesday, of Superior Court, here; and a great many whites were in attendance, and if it had not been for remarkable prudence, and keeping away from about them, on the part of the whites, no doubt serious disturbances would have occurred yesterday. I am happy to say that very few of the negroes of Wayne County participated,—the whole thing being imported from Newbern and Jamestown. The negroes seemed all day to be trying to get up a disturbance, and I think nothing would have pleased the white livered but black hearted whites, who managed the thing, better, so as to have given them a pretence to organize Holden's militia. You may look for a repetition of the thing on the 16th, in Raleigh, and I hope, for the good of your community, that the whites there may exercise equal prudence and forbearance.

Late in the evening, a negro soldier gave a white man a cursing in the street, brandishing his pistol and threatening to bring up his comrades and clear the town out, and was allowed to go on for a considerable time,—neither his officers or the police interfering,—but, I am happy to say, it ended there. Truly yours,

SECOND DISTRICT CONVENTION.

The Convention, for the nomination of a Democratic candidate for Congress for the 2nd District, assembled in Newbern, on Tuesday, Sept. 8th, and was called to order by appointing Mr. Askew, of Jones county, Chairman.

Messrs. S. D. Pool, Jr., and W. T. R. Bell were made Secretaries.

The object of the meeting was explained by Henry R. Bryan, Esq. in a very able manner.

On calling the roll of the counties composing the District, it was found that the following counties were represented by delegations, viz: Carteret, Craven, Jones, Lenoir and Pitt.

On motion of A. Justice, Esq., the Chairman was requested to appoint one Vice President from each county of the District represented.

The Chairman appointed the following Vice Presidents from each county of the District represented: L. T. Oglesby, from Carteret; W. G. Bryan, from Craven; Cyrus Foscue, from Jones; W. H. Holland, from Lenoir; Dr. C. J. O'Hagan, from Pitt.

On motion of A. Justice, Esq., two delegates from each county were appointed by the Chair, to suggest to the Convention the most proper course to pursue, as not half the counties composing the District were represented.

The Chairman appointed the following gentlemen: Carteret, L. Hall, W. T. Howland; Craven, J. J. Roberson, A. C. Latham; Lenoir, Wm. W. Dunn, Wm. Sutton; Pitt, B. C. Pearce, Theophilus Bland; Jones, E. B. Isler, E. W. Haywood.

During the absence of the Committee, Dr. C. J. O'Hagan, of Pitt, was called upon to address the Convention, which he did in an eloquent and forcible manner.

The Committee still being absent, loud calls were made for W. T. R. Bell, Esq., of Carteret. Mr. Bell depicted in glowing terms the rise progress and glorious future of the great Democratic party, and closed with a scathing rebuke of those men so lost to all sense of honor, who have left their own people and followed the precepts and practices of others, particularly W. W. Holden, the arch-traitor of North Carolina.

The Committee were then announced, and reported the following resolutions:

Resolved, By the Counties of Carteret, Craven, Jones, Pitt and Lenoir, in Convention assembled at Newbern, that a District Convention for the purpose of nominating a Candidate for Congress be held at Newbern, at eleven o'clock, at the Seymour and Blair Club House, on the 17th day of September inst., and that all the counties in the District are hereby requested to send Delegates.

Resolved, That the action of this Convention be published in the *Journal of Commerce*, the Raleigh *Sentinel*, the Wilmington *Journal* and all the papers in the District friendly to the cause—and that the Corresponding Secretary of the Central Club of Newbern be requested to communicate the same to the Central Clubs of each county in the District.

Maj. John Hughes urged the adoption of these resolutions, giving the reasons which actuated the Committee, and why it was not deemed expedient to make the nomination for Congress at the present time.—They were put to the Convention and carried.

On motion, the thanks of the Convention were tendered to the Chairman and Secretaries.

On motion the Convention then adjourned, to join in the procession and flag presentation, this evening, at 4 o'clock.

Our Afternoon Dispatches.

THE PRISON-HORRORS IN GEORGIA.

WASHINGTON, Sept. 10, M.

Meade has reported on the Ashburn murder, at Columbus, Georgia, and relative matters.—The report *substantiates* the statements published of the outrageous treatment of the witnesses at Fort Pulaski.

The Commandant of Fort Pulaski says:

"The detectives came to the Fort with the prisoners in charge, with orders for them to have the sole control of them. Consequently, I assumed no authority, except to keep them secure."

A narrative of sweat-boxes, shaved heads, and other terrors, follows.

Regarding Governor Brown's connection with the affair, Meade says, in effect, that he employed Brown for his legal knowledge and influence with the people. Brown demanded a five thousand dollars fee. This amount, under ordinary circumstances, Meade would not have paid, but he was apprehensive the defence would hire Brown.

FROM WASHINGTON.

WASHINGTON, Sept. 10, P. M.

Revenue Solicitor Binckley and District Attorney Courtney had a personal collision, torday, growing out of the proceedings against Rollins. Binckley was worsted, but neither hurt much.

Postmaster General Randall is in New York, considering the propriety of endorsing the three millions of Bonds authorized by Congress for the Trans-Atlantic Mail Company applying for endorsement. They have had the bonds printed, but appear to have no vessels. Randall asks the Attorney General whether the endorsement is mandatory by law.

The following is published here, (all for a *September session*).

"NEW ORLEAS, Sept. 9, 1868.

To G. L. Tullock, Secretary of the National Union Committee:

My home in St. Francisville was mobbed by Democrats on the 29th of August. They said that they wanted to wash their hands in my blood and would have my life. They levelled their guns at my wife and threw burning torches upon my gallery. I was not in the house at the time.

(Signed,) J. R. NEWSHAUM."

A Committee from the Tennessee Legislature is here, preparing an address to the President, which they will deliver to-night. They say that the militia bill is sure to pass, but will be a dead letter if the President sends troops enough to Tennessee.

FROM TENNESSEE—THE MILITIA BILL.

NASHVILLE, Sept 10, P. M.

The Militia Bill in its present shape requires a certificate of ten loyal citizens, who are freeholders, and to be approved by a Judge, Sheriff, Attorney General or a member of the Legislature, declaring the necessity, before the Militia can be sent to any County—the said County bearing the expense of the Bill. Thus amended, the Bill will probably pass.

NEGRO OUTRAGES.

A Band of Memphis Negroes Mortally Wound a Citizen and Set Fire to his House—Attempted Negro Outrage upon a White Woman.

MEMPHIS, TENN., Sept. 6.

At 3 o'clock this morning a band of negroes went to the house of T. A. Alexander, on the Hernando road, and called him to get up. While striking a light he was fired on through a window, and severely wounded. He struggled to fasten the door, but they forced it open and fired at him again, mortally wounding him, and then set fire to the house. His wife, who had escaped through the back door, returned with some neighbors, and succeeded in extinguishing the flames. Alexander is still alive, but there is no hope of his recovery. A negro named Moses Cockville has been arrested as one of the party, and the detectives are on the track of the others.

Last night four negroes entered the house of Mrs. Lavinia Jones, on President's Island, just below the city, and commenced pillaging. A negro named Cæsar Simpson attempted to outrage her, but she seized a knife and stabbed him in the groin and chest. Her screams brought the neighbors to the spot, who succeeded in arresting the entire party and bringing them to the city. Simpson is not expected to live.

UNIVERSAL

LIFE INSURANCE COMPANY,

NO EXTRA CHARGE FOR FEMALE RISKS.

No Restrictions on Travel or Residence

OF NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums insured, which is **immediate, sure and certain**, in lieu of a high rate of premium and *promised* dividend, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

☞ The premiums charged by the "UNIVERSAL" are nearly *one-third* lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

AGE.	Ordinary Life Rate.	Ten Payments Rate	AGE.	Ordinary Life Rate.	Ten Payments Rate
25	$21.49	$27 48	45	$53.48	$79.18
30	25.59	43 10	50	74.27	104.27
35	31.54	54.04	55	106.27	144.96
40	40.07	67.44	60	163.24	201.67

Example.—A man aged 30 insures his life for $1,000, and pays $3.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $15.50, his policy will be good for $1,215.50.

NON-FORFEITING CASH RATES

OF THE

ÆTNA LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

ASSETS, $10,000,000.

$130 to pay every 100 of Liabilities.

DIVIDEND, Fifty per Cent.

57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.
Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the amount of additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and *paid in cash*, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death; unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium upon the "Actuarial" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur within or in consequence of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

MISCELLANEOUS.

COLUMBIAN COLLEGE, WASHINGTON, D. C.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 23d; the COLLEGIATE, September 23d; the THEOLOGICAL, October 4th; the LAW, October 14th; and the MEDICAL, October 29th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of the youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men and of visiting Libraries and Collections in science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight eminent Professors; all the Chairs being filled. The Theological school has three Professors and Lectures; the Law school four, and the Medical six. The expenses are as low as at other Colleges—Number of students the past year, 434. VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

For 25 Years I was sorely afflicted with the **Piles.** After trying every remedy I could hear of and failing to receive any benefit, in 1857, I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage (fifteen cents). As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, excluding Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to, and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star-chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the —— Club of —— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Co-responding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club, by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and to hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the state.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, and the officers of the Club shall be *ex-officio* officers of the Board; when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, there pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!
